

CHILD PROTECTION POLICY

Atlantic Lodge Limited is committed to the well being of children. The Company does not tolerate child abuse in any form.

Atlantic Lodge Limited acknowledges its expectation that its employees and others who work with the Company have children's best interests at the heart of their involvement with the Company. The purpose of this policy is to ensure that Atlantic Lodge has procedures in place to prevent and to address issues relating to child protection. To this end all Atlantic Lodge personnel with access to children receive training and supervision in child protection issues from suitably qualified professionals.

In the event that a lone child is in a property when a visit is made and the child is at risk, no action will be taken directly by the Company or the employee, but details will be passed to the Senior Temporary Accommodation Officer **immediately**.
